

Eclass Guide

Vasileios Xykis

September 2024

1 Introduction

In this guide, I will explain how to use the app.

2 Navigation

2.1 Sidebar

In sidebar there are two options. Option 1 (Lessons) is the table of content and option 2 (Tests)

2.2 Profile and Login

In the upper right corner there is a profile icon. Pressing that button will redirect user to login. If user is already logged in, it will redirect to profile overview.

3 Lessons

To read lessons press the Lesson tab and then choose the chapter that you want to read.
